Hex cable lugs catalogue pdf

Welcome to the fascinating world of HEX. This globally renowned brand is very well known in the arena of Cable Accessories, Earthing & Lightning Protection Systems. The vast HEX range of products is manufactured by Brass Copper & Alloy (I) Ltd. Which is started its operations in 1991. This humble beginning made in a small workshop has grown into one of Asia's largest industry offering a wide range of advanced solutions, services & products. With new arena we have started our new manufacturing venture HEX Cable Accessories Pvt. Ltd. in 2011 for provide world Brass Precision Parts, Brass Forging Parts and Brass Casting Parts with annual achievable production capacity. HEX Cable Accessories Pvt. Ltd. is the India's leading Brass Precision parts manufacturing company. As Our large & diverse base of valuable customers spread all over India & in most countries worldwide, HEX is the leader of Brass Components in all major global Industries including Petrochemical, Renewable Energy, Power & Utilities, Shipbuilding & Marine, and Mining & Resource Center, Automobiles, Aviation, Electrical and Instrumentation and Control Panels, Lightning and Arrestor for Industrial Construction Equipments etc. Home » Our Products » Electrical Cable Accessories » Cable Terminal Ends » Tubular Compression Cable Lugs (As Per DIN 46235) With our industry experience and expertise, we offer Tubular Compression Cable Lugs (As Per DIN 46235). Our range is circumferential insulation supports to the wire and prevents the loss of connects due to vibration, or flexing in use. Field Of Applications Electricity Boards: Generation, Distribution Electrical Industries: Control panels, Switch gears, Transformers, Circuit breakers Projects & Industrial for Electrical applications: Shipping, Automobile, Steel & Fertilizers, Chemical, Cement and Textile, Chemical Electronics, Mining Aeronautics, Satellite and Communications Circular stranded copper conductor to din 48201 and circular stranded / sector shaped conductor to din vde 0295.
